## Pink Spaghetti will run your errands!

TWO Cheshire mums are beating their recession blues and have eyed a niche in the market by offering busy parents a Nursery Errand Service.

Pink Spaghetti, with offices in Lymm and Hartford, is the brainchild of Vicky Matthews, aged 37 and business partner Caroline Gowing whose unique 'Nursery Errand Service' gives nurseries a competitive edge and parents more time with their children.

From dropping off and picking up dry cleaning to ordering your groceries from the local farm shop to queuing at the Post Office for you to post a parcel. No job is too big or too small for Pink Spaghetti.

So popular has the idea been, Pink Spaghetti has recently signed up their first nursery in Lymm, Kids Planet Day Nursery on Eagle Brow, Lymm.

Clare Roberts, founder of Kids Planet

Day Nurseries said: "The new Errand Service will complement the other services our new nursery offers. Pink Spaghetti are offering parents an extremely cost effective way of getting their day to day errands done so that they can make the most of their free time."

## Golfers on course to help disabled children

A LOCAL businesswoman is calling all golf enthusiasts to sign up for their first charity golf day to help raise money for the region's sick and disabled children.

Kath Thomson from Fresh Networking, a business networking company from Warrington, has announced its first golf tournament and gala dinner will take place at Lymm Golf Club on October 20 and that money raised will be donated to the charity, Caudwell Children.

Mrs Thomson said: "Some of the biggest business deals in history have been done on the fairway of a golf course so I couldn't think of a better way to get local businesses together for informal networking and to raise money for a worthy cause."
